

STATEMENT OF PURPOSE

RS18831

The purpose of this bill is to eliminate the expense for counties to publish notification of the award of personal service contracts over the amount of over ten thousand dollars (\$10,000) when counties are already required to publish the same information in the monthly statement of activities of the counties required pursuant to Idaho Code 31-819.

FISCAL NOTE

This bill does not have a fiscal impact to the General Fund. The bill will have a positive impact for counties as they will not have to publish the same information twice.
